- Eco-friendly, plant based and low VOC
- Available in Matt, Satin or Gloss
- Easy application

KEY INFORMATION

USE
NEAT

TECHNICAL DATA

Product type: Surface Finish

User time: Unlimited

Appearance: Yellow liquid

Chemical Nature: Natural plant based oils

Shelf Life: 12 months

Consumption: 20g/m²

FORSHIELD-OIL APPLICATION INSTRUCTIONS

1. APPLICATION

Apply thin coats with brush and roller or lint free/Microfibre mops. FORSHIELD-OIL cannot be overworked so spend time applying a very thin and even coat and apply in every direction possible.

Be extremely careful not to over apply as the cure time will be drastically increased. Multiple thin coats are better than one thick one.

2. SPECIAL PRECAUTIONS

-
- Keep out of reach of children
 - Use PPE
-
